*** We charge and limit only geofences that are created as separate entities. Geofences that exists as a part of plugin or calculator configuration are not charged and not limited.

Tariffs are the integral part of the public contract posted at <https://flespi.com/contract>.

The Company has the right to change the Tariffs at its discretion unilaterally and extrajudicially. The amended Tariffs are brought by the Company to the general public by posting (publishing) relevant information on the Company's website at the following address: <https://flespi.com/en/docs/tariff>. Amendments shall enter into force no earlier than twenty-five calendar days after their publication. No additional notice from the Company is required. The Parties unconditionally agree that silence (the absence of notifications of cancellation of the Contract or disagreement with the change of Tariffs) is recognized as the consent of the Customer with the amended Tariffs.
